

4D ELITE PLAYER PLANS

Choose any **ONE** of the Plans (list below) that suits your play budget.
 For example, if you choose C2, U will play \$21 per draw, C1 \$36 per draw, etc.
 Usually, the higher the Plan, the better the hit rates will be. But importantly,
 choose a Plan that you can afford to play every draw in the long term.
 (Anyway, you may request the change of plan by giving us 7 days' advance notice).

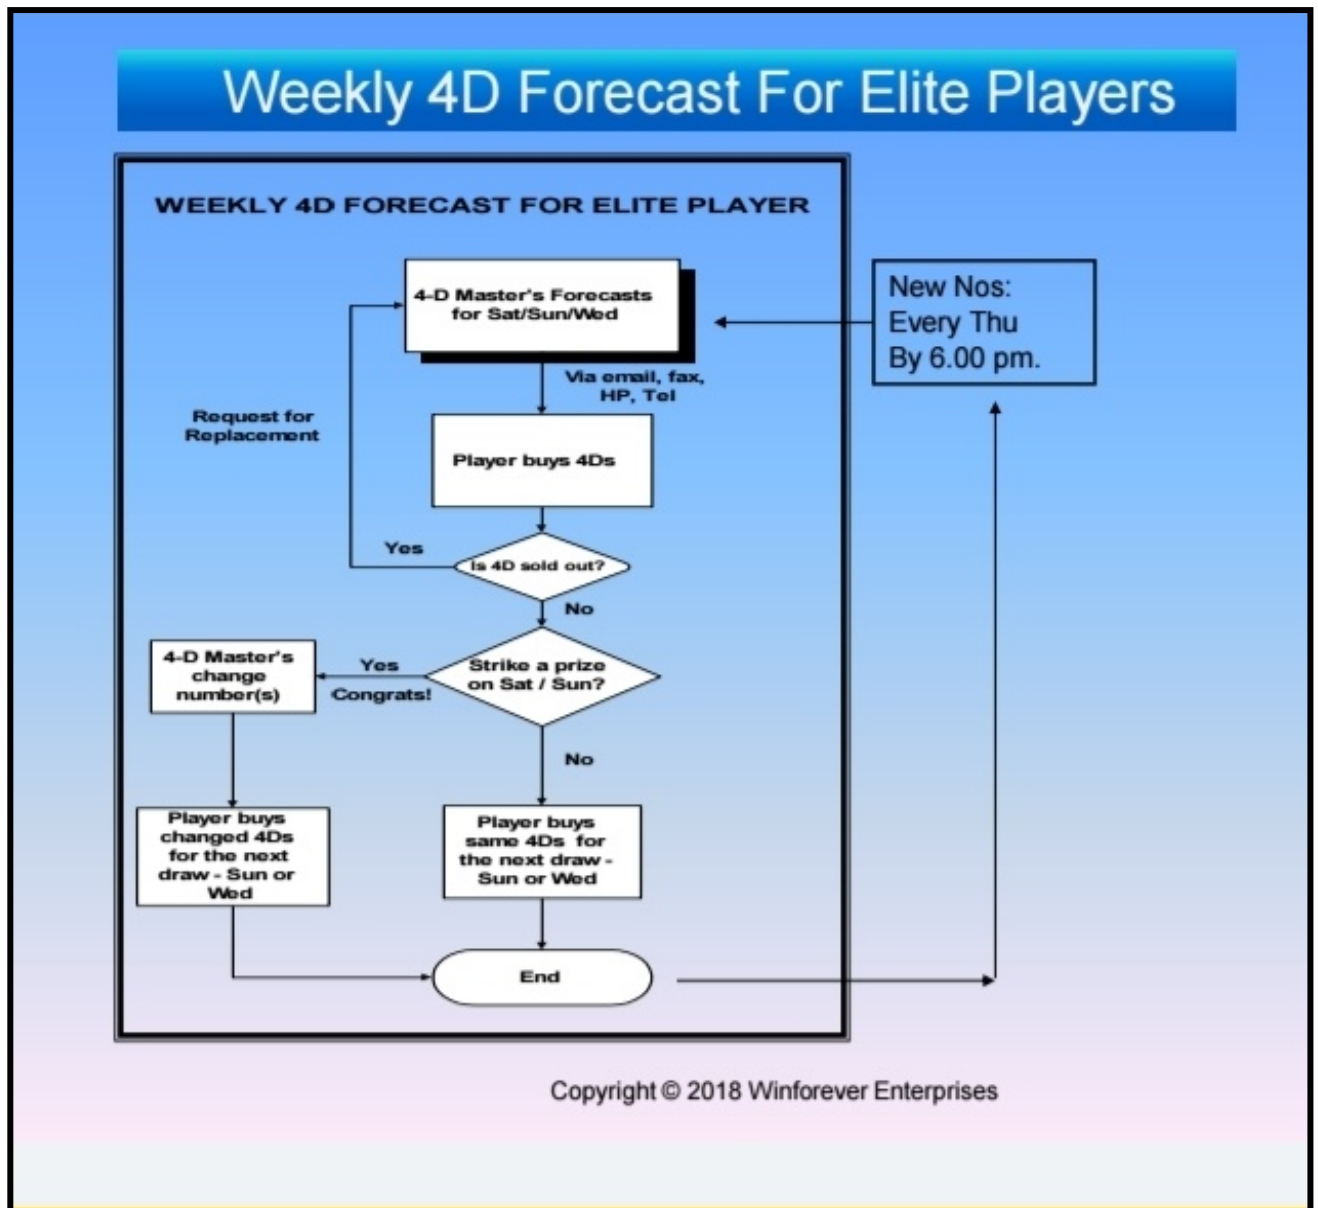

| S/NO. | PLAN | BUDGET PER DRAW | STRATEGY |
|-------|------|-----------------|---|
| 1 | C4 | \$10 | 1 x AABC (\$1 big iBet = \$1) + 3 x Direct (\$3 big each = \$9) |

Some get to strike Top-3 prizes, two to three times in a row. Of course, there are also members who get to strike after a month, two months or even three months later.)* In most instances, you will find that you will hit more prizes than you play your own numbers with the same budget that you have been playing in the past.

Best of Luck! May you hit a Top-3 prize soon!
